Highway 69 Water Well and Tower Project

June 27, 2024 | Trenton, Fannin County

Trenton, Texas - The City of Trenton is pleased to announce the first stages of the new water well and tower have begun. This project is aimed at enhancing the water supply infrastructure for our community.

THI will work diligently seven days a week until the first phase of the new water well is complete. The Public Works Department actively monitors all progress and will keep the residents updated as the project progresses.

If you have any questions or concerns, please call the City of Trenton City Hall at (903) 989-2237.

Contact Person: Jack Delancey, City of Trenton Public Works Director
